HOUSE BILL NO. **3770**

**Introduced by Representatives Arlene B. Arcillas and Len B. Alonte-Naguiat**

**EXPLANATORY NOTE**

This bill seeks to convert the provincial road connecting the Barangay Macabling in the City of Santa Rosa with Barangay Mamplasan through Barangay Ganado, in the City of Biñan, both in the Province of Laguna into a national road.

Roads serve as a linkage between barangays and provide access to the various establishments and amenities located therein. The subject road of this bill links Barangay Mamplasan and Barangay Ganado to the main road of the Cities of Santa Rosa and Biñan.

Santa Rosa City is the gateway to the south. Hence, it has become the choice of families in setting up homes and of business establishments in putting up factories and offices. Barangay Mamplasan houses several factories from branded shoes to motor parts, not to mention, the Brent International School and several high-end subdivisions. With these commercial and industrial developments, it is but proper to improve the roads in the province to meet the growing demands of development.

This bill aims to convert the said provincial road into a national road in order to have a bigger budget for its repair and maintenance. In so doing, the travel time will be easier and faster and socio-economic activities and commercial transactions will be stimulated. It will also promote travel to the Province of Laguna of visitors, tourists and investors alike.

In view of the foregoing, early passage of this bill is earnestly sought.
