**HOUSE OF REPRESENTATIVES**  
Constitution Hills, Quezon City

**EIGHTEENTH CONGRESS**  
First Regular Session

**HOUSE BILL NO. 4740**

Introduced by Rep. Vincent Franco D. Frasco

**EXPLANATORY NOTE**

This bill seeks to establish the Cebu Technological University (CTU) Satellite Campus in the Municipality of Liloan, Province of Cebu.

Section 1, Article XIV of the 1987 Constitution provides that the State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all. Further, Section 2 (1) of the same Constitution provides that the State shall establish, maintain, and support a complete, adequate, and integrated system of education relevant to the needs of the people and society.

Republic Act No. 9744 dated November 10, 2009 provided for the conversion of the Cebu State College of Science and Technology System in the City of Cebu and all its satellite campuses located in the Province of Cebu into a State University to be known as the Cebu Technological University. The law provides that the main campus of the CTU shall be in Cebu City.

Currently, CTU has nine (9) campuses with its main campus in Cebu City. At present, the University has satellite campuses in Argao, Barili, Carmen, Daanbantayan, Danao, Moalboal, San Francisco, and Tuburan.

Liloan is a first class municipality in the province of Cebu, with a total population of 118,753 residing in its 14 barangays, and a total land area of 5,210 hectares as per the 2015 Philippine National Census. It is home to a number of industries in need of technical instruction, such as livestock and vegetable farming, baking, ceramics, and manufacturing, among others.

In order to achieve the mission of the University to provide advanced professional and technical instruction for special purposes, advanced studies, industrial trade, teacher education, agriculture, fishery, forestry, engineering, maritime, aeronautics and land-based programs, arts and sciences, health sciences, information technology and other relevant fields of study, and in

1 order to provide quality education to more students, there is a need to further expand the  
2 University.  
3

4 Establishing a CTU Satellite Campus in Liloan will greatly benefit the families of  
5 students living in far-flung areas of the Province of Cebu. Not only will it provide savings in  
6 tuition and other fees to the residents, but more importantly, it will fulfil the State's policy to  
7 provide access to quality tertiary education for all.  
8

9 In view of the foregoing, immediate approval of this measure is earnestly requested.
