HOUSE BILL NO. **4236**

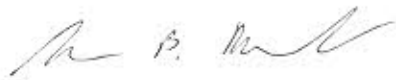

Introduced by the Representative Salvador B. Belaro, Jr.

EXPLANATORY NOTE

This bill seeks to include entrepreneurship and financial education as permanent subjects in all tracks in the Senior High School Program.

To better prepare our senior high school graduates for the real world, it is a must that all of them be taught, at the very least, the rudiments of entrepreneurship and financial literacy. That would ensure that whatever happens to them after graduation, the State can count on the fact that our schools have guided them towards self-sufficiency and financial responsibility.
