EXPLANATORY NOTE

Our Lady of Manaoag is one of the most venerated Marian images in the country. Its glorious history can be traced back to 1600's when the image was finally brought in the Philippines by a Spanish priest named Padre Juan de San Jacinto. From then on, the Lady of Manaoag has served to become a refuge to many devotees who have wished to establish a deeper and more personal relationship with the Lady; thus, making the Shrine of Our Lady of the Rosary of Manaoag, located in Manaoag, Pangasinan, as an emblem of Filipino Catholicism. For many centuries, the image of the Our Lady of Manaoag has remained intact and undamaged after having survived a series of threat ranging from mere pressure from non-Catholics to complete church destruction due to revolutions—a mystery considered by many of its followers. There were also narratives of miracles encountered by a significant number of Marian devotees.

In recognition of its special role in fostering and shaping Catholicism in the Philippines, on June 21, 2011, Pope Benedict XVI approved the granting of the special bond of spiritual affinity in perpetuity affiliating the Papal Basilica of Saint Mary Major in Rome to the Shrine of Our Lady of Manaoag— the very first in the Philippines. This gives its pilgrims the assurance of the same plenary indulgence equal to that received when visiting a papal basilica in Rome. Thereafter, the shrine was elevated into a Minor Basilica thereby calling it the Basilica of Our Lady of the Rosary of Manaoag.

Our Lady of Manaoag is often called the pilgrim center of the north and its feast is among the most highly celebrated events in the Philippines. Millions of pilgrims visit the Basilica every year with its number continuously growing as more witness the glory it brings to those who humble their hearts. The shrine also continues to entice visitors not just from our country but from the many parts of the world making it one of the most visited places in the Philippines. However, as a result, the flow of people became highly dynamic. This augments the need to adopt policies and measures that would protect the historical significance of the area while ensuring accessibility and security to pilgrims.

This bill, therefore, aims to declare the Basilica of Our Lady of the Rosary of Manaoag in the province of Pangasinan as a pilgrimage site and tourist destination mandating the Department of Tourism and its attached agencies, in coordination with

the Department of Public Works and Highways (DPWH), and in consultation with the local government units of Manaoag, to come up with a comprehensive development plan for the improvement of the Manaoag Shrine, all areas attached to it, and all roads leading to and from it.

In view of the foregoing, the passage of this bill is earnestly sought.
