17th CONGRESS

FIRST REGULAR SESSION

HOUSE BILL NO. 4061

Introduced by Hon. ALLEN JESSE C. MANGAOANG

EXPLANATORY NOTE

This bill seeks to convert the Malalao Provincial Road in the City of Tabuk, Province of Kalinga into a national road and appropriating funds therefore.

Roads are beneficial to the livelihood of the people in the rural areas because they help transport farm products to the market. They are convenient links between barangays and the poblacion. They provide easy accessibility to the town proper where hospitals, schools, law enforcers and government agencies are mostly located.

The conversion of the provincial road into a national road will provide tremendous benefits to the people. The present provincial road in Malalao is in a sorry state of disrepair. Due to fiscal constraints of the provincial government, maintenance of the said road has been unattended.

With its conversion, it is anticipated that the national government can now take into its cudgel, the improvement projects on the said road by providing for its concreting and maintenance in the succeeding years.

In the light of the foregoing, the passage of the bill is hereby sought.
