HOUSE BILL NO. 720

Introduced by Honorable Lucy Torres-Gomez

EXPLANATORY NOTE

In the registry list of national parks of the Department of Environment and Natural Resources (DENR) is found Lake Danao in the Province of Leyte. Lake Danao has been described as “a violin-shaped lake hemmed by cloud-capped mountain ranges. It is a hunter’s paradise where wild animals roam the surrounding forests. It is also said to be the home of a giant eel.”

The access road, however, to the Lake Danao Natural Park is a city road passing from barangays Luna, Dolores, Milagro and Tongonan leading to the lake, all in the City of Ormoc, Leyte.

An incongruous situation therefore exists wherein a national park, maintained by the Protected Area Management Board of the DENR, could only be reached by an ill-maintained and poorly-repaired city road on account of the notoriously and chronically low available budget of the city government for said purpose.

It is to remedy such a situation that this measure is being filed. It certainly defeats the purpose of having a well-maintained national park that could only be accessed through a dilapidated and unwholesome city road network.

Hence, the early approval of this bill is urgently recommended.
