

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 935

Introduced by MAGDALO Party-List Representative
HON. MANUEL DG. CABOCHAN III

EXPLANATORY NOTE

It is clearly enshrined in the Constitution that war is renounced as an instrument of national policy. In light of adopting generally-accepted principles of internal law and promoting peace, justice, freedom and amity with all nations, our country has been sending peacekeeping and/or expeditionary contingents overseas in compliance with its international commitments as a member of the United Nations (UN).

Republic Act No. 573 or the Philippine Military to the United Nations Act, which was enacted in 1950, provided for the creation, organization, equipage and rates of pay of the Philippine Expeditionary Force to Korea. However, there is no legislation that determines the rates of pay and financial support that members of the contingents should receive, particularly regarding financial assistance provided by the UN.

This bill seeks to standardize the rates of pay, allowances and benefits of officers and enlisted personnel of the Armed Forces of the Philippines (AFP) serving overseas with a Philippine peacekeeping/expeditionary contingent. The measure provides guidelines for the proper treatment and utilization of funds for contingents, especially from the UN, thus, removing too much discretion on the part of the AFP but not sacrificing the needs of men and women on the field.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
