3152  
HOUSE BILL NO. \_\_\_\_\_

---

Introduced by **REP. ROMAN T. ROMULO**

---

**AN ACT**  
**REGULATING THE SALE OF PREPAID SUBSCRIBER IDENTITY**  
**MODULE (SIM) CARDS, PROVIDING PENALTIES FOR VIOLATION**  
**THEREOF, AND FOR OTHER PURPOSES**

**EXPLANATORY NOTE**

The latest trends in information technology, particularly in the field of telecommunications, are greatly felt in our country. Almost all Filipinos nowadays own and use cellular phones to exchange voice calls and text messages, giving the Philippine the distinction of being the text-messaging capital of the world. Not only that – we use our phones, tablets and other smart mobile devices also to connect to the internet and avail of online services. With the use of such devices, business transactions as well as everyday living have become more effective and efficient.

Many owners of such devices prefer to use the pre-paid subscriber identity module (SIM) card. Not only is this pre-paid SIM card easily accessible, i.e., it can be bought almost everywhere, the owners thereof can likewise easily evade detection since prepaid SIM cards are virtually undetectable. Due to this, unscrupulous individuals almost always take advantage of the same in the pursuit of their criminal activities to the detriment not only of a particular interest but that of the whole nation.

The proposed bill therefore seeks to address the above-mentioned problem being brought about by the proliferation of pre-paid SIM card. It provides for a system of regulating the sale and/or disposition of pre-paid SIM cards and also puts into place the procedures to be followed if a member of the law enforcement agency and/or officer would like to retrieve information concerning the owner of a pre-paid SIM card that had been used in a criminal

or illegal activity without prejudice to the rights of the registered owner under existing law. With this in mind, it is hoped that the proposal will contribute in one way or the other, in providing solution to our recurrent peace and order problem.

Every new technology carries with it tremendous responsibility. The technology should be used for the advancement of the interest of all and not only of a chosen few. It therefore becomes our imperative duty as lawmakers to ensure

that the benefits we derive for this technology should be used properly and not abused by some segments of our society.

It is for this reason and the advancement of the common good that early passage of this bill is earnestly sought.

**AN ACT**  
**REGULATING THE SALE OF PREPAID SUBSCRIBER IDENTITY**  
**MODULE (SIM) CARDS, PROVIDING PENALTIES FOR VIOLATION**  
**THEREOF, AND FOR OTHER PURPOSES**

*Be it enacted by the Senate and the House of Representatives of the  
Philippines in Congress assembled:*

1       **SECTION 1. Title.** - This Act shall be known as the “*Prepaid*  
2       *Subscriber Identity Module (SIM) Cards Regulations Act of 2019*”.

3

4       **SECTION 2. Declaration of Policy.** - The State recognizes the vital role of  
5       communication and information in nation building. The introduction of modern  
6       telecommunications technology with the view of providing the widest information  
7       dissemination is greatly encouraged. However, possession of the most modern  
8       technology comes with tremendous responsibility. A mechanism must be put in  
9       place to ensure its effective use for the good of all while preventing its illegal or  
10      malicious use to benefit a few. Towards this end, the State shall regulate the use  
11      and sale of prepaid SIM cards for users of cellular phones and other mobile devices  
12      only to persons who shall comply with the requirements herein set forth.

13

14      **SECTION 3. Registration Requirement.** - All persons desiring to own  
15      and/or use prepaid SIM cards for cellular phones and other mobile smart devices

1 shall, before the actual purchase thereof, prepare and accomplish before any  
2 corporation, partnership, single proprietorship authorized to deal and/or sell the said

- 14 8. Senior's Citizen Card;
- 15 9. School Identification Card.

16  
17 (b) The telephone number of the Prepaid Subscriber Identity Module (SIM)  
18 Card that will be issued.

19  
20 **SECTION 4. *Recording by the Corporation, Partnership, Single***  
21 ***Proprietorship or Authorized Dealer and the Telecommunications Service***  
22 ***Provider.*** - The corporation, partnership or single proprietorship authorized to deal  
23 and/or sell prepaid SIM cards shall keep a record of the names and other data of all  
24 persons who purchased a prepaid SIM card. A certified copy of the registration  
25 and/or information sheet prepared by the would-be buyer shall then be transmitted  
26 to the Telecommunication Service Provider which shall file and keep a record of  
27 the same in a data base to be created for the purpose.

28  
29 The copy of the registration and/or information sheet submitted to the  
30 Telecommunications Service Provider shall be certified to by the President,  
31 General Manager, Treasurer or any other responsible officer of the corporation or

1 partnership, or the owner in case of single proprietorship authorized to deal and/or  
2 prepaid SIM card.

3  
4 **SECTION 5. *Inquiry into the Telecommunications Service Provider's***  
5 ***Database.*** - If the user of a cellular phone with prepaid SIM card shall use the  
6 same in the commission of a crime or for any malicious fraudulent or illegal  
7 purpose, a court of competent jurisdiction may, by written order, authorize the  
8 appropriate law enforcement authority to look into the records of the owner of the  
9 prepaid SIM card used in the commission of the above-mentioned acts with the  
10 Telecommunications Service Provider keeping records of the same: *Provided,*  
11 *That,* such written order shall only be granted upon application in writing of any  
12 law enforcement agency and/or officer and only upon examination under oath or  
13 affirmation of the applicant and the witnesses he may produce and upon the court  
14 being satisfied that: (1) there is reasonable ground to believe that the prepaid SIM  
15 card has been used in the commission of a crime or for a malicious, fraudulent or  
16 illegal purpose; (2) that there is reasonable ground to believe that the owner of the  
17 said prepaid SIM card is probably the perpetrators of the same; and (3) there is no  
18 other speedy and adequate means readily available to obtain such facts and  
19 information.

20  
21 The written order issued by the court for this purpose shall specify: (1) the  
22 name of the law enforcement agency and/or officer authorized to look into the
