HOUSE BILL NO. 2679

---

INTRODUCED BY HON. FERNANDO V. GONZALEZ

---

### EXPLANATORY NOTE

This Bill seeks to establish a Registry of Deeds in the City of Ligao in the Province of Albay.

The intent is to bring the services of the National Government closer to the people of the Ligao City.

The City has a vast and growing population of 104,914 in 2010 and a total land area of 24,640 hectares, making it the largest city in the Province of Albay in terms of land area.

The services rendered by the Registry of Deeds are thus, proportionately warranted given this population size and land area. Likewise, the City has been experiencing a rise in the demand for services related to land registrations owing to massive opening of subdivisions and relocation sites for displaced population of Albay. To transact official business with the Registry of Deeds, the people of Ligao need to travel a considerable distance to the nearest Registry of Deeds offices in the City of Legaspi and the City of Naga before they can register the documents affecting their lands. Often, they need to engage in four to five transactions before their needs are attended to and/or concluded. This situation makes the registration process even more tedious, cumbersome and expensive, hence, a disservice to the peoples' interest.

The City Government is ready to incorporate in its new City Hall Complex the space and facilities requirements for the proposed Registry of Deeds.

In view of the foregoing, approval of this bill is earnestly requested.
