HOUSE BILL NO. 3604

Introduced by Honorable Joaquin M. Chipeco, Jr.

EXPLANATORY NOTE

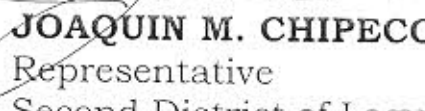

The maintenance of barangay and municipal roads fall under the jurisdiction of local governments. More often than not, these roads after their construction can no longer be maintained due to lack of funds.

The unmaintained conditions of these roads contribute to further problems such as traffic congestion thus hampering business transactions.

The bill seeks to convert the Barangay Halang-Real Road in the City of Calamba, Province of Laguna into a national road.

This ensuing problem will be resolved with this conversion as support will be available from the national government.

The early approval of this bill is therefore earnestly recommended.
