

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

18th Congress
First Regular Session

HOUSE BILL NO. 4605

Introduced by Rep. Erico Aristotle C. Aumentado

EXPLANATORY NOTE

A good background in science and technology education is very important in the formative years of the students, the nation is in dire need of scientist who will serve the Filipino people. To address these needs, we need a continuous development in the field of science and technology.

This bill seeks to establish a Philippine Science High School (PSHS) campus in the municipality of Ubay, Province of Bohol.

The Municipality of Ubay, Province of Bohol, deserve to have a Philippine Science High School to provide quality education in the field of science and technology, considering the pool of talents and deserving high school students that excel in the field of science and mathematics.

The establishment of Philippine Science High School Ubay Campus will enable the students to be equipped with proper training and facilities that will eventually lead them to a science-oriented career. Thus, the establishment of Philippine Science High School in Ubay, Bohol campus strive to provide quality and free access to education while addressing the future of our youth in Bohol and in Region VII as a whole.

In view of these, passage of the bill is earnestly sought.
