HOUSE BILL NO. _____

INTRODUCED BY REPRESENTATIVE JOSE "PINGPING" I. TEJADA

EXPLANATORY NOTE

This bill which seeks to create one (1) additional branch of the Regional Trial Court in the Municipality of Mlang, Province of Cotabato was originally filed in the 17th Congress as House Bill 2105 by the undersigned Jose "Pingping" I. Tejada.

"A pure, speedy, and effective administration of justice will be established, whereby the evils of delay, corruption, and exploitation will be effectively eradicated."¹

An incessant increase in population coupled by political, social and economic interactions of the people begets a litigious society eventually leading towards highly clogged court dockets. The Province of Cotabato along with other areas in the country has seen a dramatic increase in the number of court litigations and disputes over the last decades. With this trend, it is expected that there will be an increase in the number of cases being adjudicated in the branches of court in the province in addition to the many pending/backlogged cases that has yet to be decided upon.

The actual deliverance of justice due to highly clogged court dockets is just unacceptable for the people of the Province of Cotabato. Therefore, there is an urgent need for the creation of one (1) additional branch of the Regional Trial Court in the Municipality of Mlang, Cotabato to improve the adjudication process and provide the people a speedy disposition of their cases.

Hence the passage of this bill is earnestly sought.
