**EXPLANATORY NOTE**

Teaching may be the noblest profession; but for volunteer teachers across the country, it has failed to provide an adequate income to support their basic personal needs. A volunteer teacher receives only a meager allowance per month for their services, which could hardly provide for their family's needs considering the increasing cost of living.

To augment their meager income, a volunteer teacher engages in various income generating activities such as selling processed food products, clothes, cosmetics, and other sundry items. The time and effort a volunteer teacher spends in pursuing these entrepreneurial endeavors could be put to better use of improving his/her knowledge and preparing his/her lesson plans.

Despite the paltry amount he/she receives from teaching, however, a certified volunteer teacher persists in serving his community. He/she continues to equip the youth with necessary knowledge and guidance molding them into productive members of society.

It is in this light that this bill seeks to create plantilla positions in the Department of Education for volunteer teachers with at least five (5) years continuous service in the Philippine public school system and appropriating funds therefor. It is only proper that volunteer teachers be given teaching position that will provide him/her a secure and adequate source of livelihood, especially those who are qualified and possess the appropriate eligibility. Furthermore, it will not only give them adequate income for their needs, but will also accord them the dignity they truly deserve as practitioners of this noble profession.

In view of the aforesaid considerations, the approval of this bill is earnestly recommended.
