EIGHTEENTH (18TH) CONGRESS
First Regular Session

House Bill No. 6601

Introduced by Representative MANUEL F. ZUBIRI

EXPLANATORY NOTE

This bill seeks to establish a National High School in Barangay Poblacion in the Municipality of Kadingilan, Province of Bukidnon.

There is currently no national high school in the aforementioned area. Students in the municipality either go to private schools or public schools in other municipalities. While others can afford to do this, it is safe to say that it is not easy for them financially. In the same vein, children from less fortunate families are left not attending school because of the added financial burden imposed by private schools or the added financial strain to their already meager income brought about by the added expense of fare in going to and from schools in other municipalities.

The concerned municipality has already expressed its commitment to comply with whatever requirements that come with the establishment of a national high school. This bill will surely serve a lot of our less-fortunate constituents especially children who have a basic right to education as enunciated in our constitution. It is in the best interest of our Bukidnon youth that a national high school be established in Kadingilan, Bukidnon as well improve professional stability to the teaching and non-teaching employees in the area.

As Benjamin Franklin once said, "An investment in knowledge pays the best interest." Let us continue investing in our youth by providing them adequate state-sponsored facilities and education.

The passage of this bill is earnestly sought.
