EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 611

Introduced by HON. RESURRECCION MARRERO-ACOP, MD

EXPLANATORY NOTE

Section 309 of Republic Act No. 7160, otherwise known as the Local Government Code of 1991 provides for the establishment of a Special Education Fund (SEF). Section 272 of the same Code, limits the allocation of the SEF to the operation and maintenance of public schools, construction and repair of school buildings, facilities and equipment, educational research, purchase of books and periodicals, and sports development as determined and approved by the Local School Board.

Under *Joint Circular No. 1, series of 2017* issued by the Department of Education (DepED), Department of Budget and Management (DBM) and Department of the Interior and Local Government (DILG), given the observed practices in the utilization of the SEF and current developments in the basic education sub-sector, particularly the K to 12 and early childhood care and development (ECCD) programs, there is a need to reiterate and refocus the policies on the use of the SEF to further support the supplementary budgetary needs of schools and learning centers.

It is well to note that the Local Government Code was signed into law almost three decades ago. Guided by said DepED-DBM-DILG Joint Circular, the proposed measure seeks to expand the allocation and purposes of the SEF in order to be more responsive to the present needs of local schools.

In view of the foregoing, the passage of this bill is earnestly sought.
