EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 1960

Introduced by **MAGDALO Party-List Representative**
HON. MANUEL DG. CABOCHAN III

EXPLANATORY NOTE

The tourism industry has significantly contributed to our country's economic growth and development. The influx of millions of foreign travelers who wish to enjoy the natural beauty of our country contributed to the increase in tourist expenditure revenue which translates to profits for our tourism establishments such as hotels and resorts, and employment to thousands of Filipinos in the tourism industry.

However, in order for us to sustain this growth and for us to encourage others who would want to explore the natural splendor of our country, we need to enhance the country's reputation as a tourist-friendly country. We must establish a thriving and responsible travel industry which provides quality services, not only to foreign travelers but domestic travelers as well.

This bill seeks to ensure that travel agents only provide the highest quality service, one which is fair, effective, responsive and courteous by regulating their profession. The bill also seeks to protect the interests of both foreign and local travelers. In view of the foregoing, immediate approval of this measure is earnestly sought.
