EXPLANATORY NOTE

The bill seeks to convert the stretch of road from Poblacion, Padre-Garcia to San Carlos, Rosario into a national road.

This provincial road is connecting two (2) municipalities, namely: Padre Garcia and Rosario. These municipalities are among the densely populated areas in the 4th Legislative District, Province of Batangas, with a combined population of approximately 150,000. Padre Garcia is home to Padre Garcia Livestock Auction Market, the largest among the more than 150 livestock auction markets in the country, and is located right along this road. On the other hand, Rosario has a thriving agro-industrial economy and is dubbed as "The Rice Granary of Batangas". The said road has a total length of 4.540 kilometers with concrete and asphalt pavements and gravel shoulder. It is a vital link to the Batangas-Quezon Road Junction. However, due to the budget limitations of the provincial government, it cannot fully provide for the maintenance and improvement of the said road.

With its conversion into a national road, funds from the government thru the Department of Public Works and Highways (DPWH) can now be channelled to accelerate the improvement of the Poblacion, Padre-Garcia-San Carlos, Rosario Road, and thus the betterment of the socio-economic conditions of the people in this part of the Fourth District of Batangas.

In view of the foregoing, the passage of this bill is earnestly sought.
