**"AN ACT
CREATING A BARANGAY TO BE KNOWN AS BARANGAY KAPDA IN THE
MUNICIPALITY OF LORETO, AGUSAN DEL SUR"**

The 1987 Constitution recognizes the importance of local governments and ensures that they develop into self-reliant communities, through the enactment of Republic Act No. 7160 otherwise known as the Local Government Code of 1991. Through this legislation, local governments such as barangays develop into a more effective and efficient partner in the attainment of the national government's objectives.

Republic Act No. 7160 provides that "a barangay is the basic political unit which serves as the primary planning and implementing unit of the government policies, plans, programs, projects and activities in the community, and as a forum wherein the collective views of the people may be expressed, crystallized and considered, and where disputes may be amicably settled." As a result thereof, barangays have a closer and direct access to the needs of the citizenry making them vital to the improvement of delivery and implementation of public services in the local realm. It is now imperative to strengthen barangays in order for them to develop into self-reliant communities and effective partner of the national government.

In harmony with the Constitution, it is the intention of this bill to seek the creation of Barangay Kapda in the Municipality of Loreto, Agusan del Sur and to allow them to be entitled to a just share from the national taxes.

In view of this vital importance, the approval of this bill is earnestly sought.
