HOUSE BILL NO. 5577

Introduced by **Hon. Cyrille "Beng" F. Abueg-Zaldivar**

EXPLANATORY NOTE

This bill was previously filed by Representative Frederick F. Abueg as House Bill (H.B.) No. 05240 in the 16th Congress and H.B. No. 1788 during 17th Congress. Both bills were referred to the House Committee on Public Works and Highways.

The proposed bill seeks to convert the provincial road from Barangay Estrella Village Public Market to Estrella Village National High School located in the Municipality of Narra, Province of Palawan, into a national road.

The town of Narra is a first-class municipality and has a population of 65,264, according to the 2010 census conducted by the then National Statistics Office (NSO). Meanwhile, Barangay Estrella Village is an agricultural community and boasts the Estrella Waterfalls which is one of the must-see attractions in the municipality. Despite its rising status as a tourist destination, Barangay Estrella Village remains a rural area.

The conversion of this provincial road into a national road would immensely benefit the people of Barangay Estrella Village and the Municipality of Narra. Being an agricultural barangay, the nationalization of said road would make it easier for agricultural products to be transported, delivered and made available to the people of Narra and nearby municipalities.

Furthermore, most of the national roads in the Second District of Palawan are approaching project completion. Hence, we seek to convert more provincial roads into national roads in order for the national government fund to cover the repair, maintenance and improvement of the roads. Admittedly, the local and/or provincial

governments of Palawan lack the necessary budget to put road maintenance as their priority.

The results of road nationalization directly affect people's mobility. Accessible roads bring more opportunities to the populace which would certainly boost the economy. Interestingly, roads provide great benefits to all the people not only from the area but to all travelers who come to have ventured the path.

In view of the foregoing, the approval of this bill is earnestly recommended.
