House Bill No. 2674

Introduced by **HON. JOSEFINA B. TALLADO**

EXPLANATORY NOTE

This bill seeks to establish a district branch of the Land Transportation Office (LTO) in the 1st District of Camarines Norte, specifically in the municipality of Labo which borders all the rest of the municipalities in the 1st District, specifically Capalonga, Jose Panganiban, Paracale and Santa Elena.

Labo is the biggest municipality in Camarines Norte in terms of its area with ever growing population and a high concentration of private industries which makes it a perfect site for a district office of LTO. Also, Labo is in the very center of Camarines Norte such that constituents of the municipalities in the 1st District do not have to travel long distance in going to the municipality of Daet just to transact and avail the services of the Land Transportation Office.

Establishment of a district office of LTO in Labo will also unburden the current load of the LTO Office in Daet. This will also be a form of democratization of government service through further decentralization of national government offices to the grassroots level.

In view of the foregoing, the passage of this bill is earnestly sought.
