First Regular Session

HOUSE BILL NO. 3589

Introduced by Representative MA. BERNARDITA B. RAMOS

EXPLANATORY NOTE

Republic Act No. 9689 which was signed into law on 04 August 2009 established the Sorsogon Second District Engineering Office in the Municipality of Bulan, Province of Sorsogon.

Years before the enactment of the law, the then sub-district engineering office was in the Municipality of Irosin. From 2001 to 2004, however, it transferred to Brgy. San Ramon, Municipality of Bulan.

In 2004, the office again transferred to a *bodega* in Brgy. Bagacay, Municipality of Gubat. With the lot already in the name of the Department of Public Works and Highways (DPWH) and the *bodega* transformed into a decent government facility over the years, the sub-district engineering office, later the Sorsogon Second District Engineering Office, continued to hold office thereat until 2017.

At present, the Sorsogon Second District Engineering Office is in a new building situated in a huge compound which it continues to develop by introduction of smaller buildings and facilities. It is now located in Brgy. Payawin, Gubat, Sorsogon.

To reflect in the law the true location of this office which has been functioning for several the years, it is absolutely necessary to amend RA 9689.

The immediate approval of this bill is earnestly sought.
