House Bill No. 422

EXPLANATORY NOTE

This bill seeks to establish a special economic zone in Barangay Balubal, Cagayan de Oro City, Province of Misamis Oriental, pursuant to the general policies and guidelines set forth under Republic Act No. 7916, otherwise known as the "Special Economic Zone Act of 1995."

Cagayan de Oro City is the gateway to the island of Mindanao. It is the focal point of domestic and foreign trade as well as the export outlet of the vast agricultural products of Mindanao. The city is rich in agricultural and forest lands, mineral resources and scenic tourist spots. It has a typhoon-free climate, favorable peace and order condition and good infrastructures and utilities. These factors are conducive to sustainable growth and development.

Balubal is one of the fast-growing barangays in the eastern side of Cagayan de Oro City. Its strategic location is an ideal site for industrial, commercial and recreational centers. It can also serve as a major entry and exit point of trade considering that its neighboring barangays have numerous seaports.

The establishment of a special economic zone will alleviate and improve the economic condition of the City and the nearby provinces. The residents will be assured of local employment opportunities which will hasten the economic growth not only in the area but in the nearby provinces as well.

In line with the government's policy to encourage, promote, induce and accelerate a sound and balanced industrial, economic and social development of the country, the establishment of Cagayan de Oro Special Economic Zone is earnestly recommended.
