EXPLANATORY NOTE

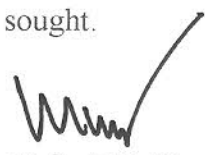

This bill seeks to renew and expand the coverage granted to the Cadiz Radio and Television Network, Inc. (CRTN) under Republic Act (R.A.) No. 8111 which took effect last July 9, 1995. R.A. No. 8111 granted a franchise to CRTN to construct, install, operate and maintain radio and/or television broadcasting stations in the City of Cadiz, Province of Negros Occidental. The franchise term was for twenty-five (25) years. Even before the passage of the R.A. No. 8111, CRTN was originally granted a franchise to operate in the whole Western Visayas area for twenty-five (25) years.

During CRTN operations, it serves as the most important medium through which the right to freedom of expression is realized. Even in the most far-flung area, the right of the public to information was being fulfilled. Freedom of expression includes the right not only to seek and impart information and ideas, but also the right to receive them to which CRTN was able to cater to the people in the City of Cadiz.

In this measure, this representation intends to perpetuate the franchise until expressly revoked by the Congress and to broaden the coverage from Cadiz City to the whole Western Visayas. With this bill, not only the City of Cadiz will enjoy the right of the public to information but also the whole Western Visayas especially in terms of political, economic, environment, social, weather, and other current events affecting their daily lives.

Lastly the foregoing bill was filed last Congress but the same was not considered due to lack of material time.

In view of the foregoing, passage of this bill is earnestly sought.
