SEVENTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 4043

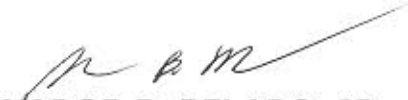

Introduced by Representative Salvador B. Belaro, Jr.

EXPLANATORY NOTE

This bill seeks to provide free umbrellas, raincoats and rainboots for all public elementary and high school teachers in the country.

Given their meager salaries despite the amount of work and sacrifice required of them, public school teachers, more often than not, face the reality of a "come-what-may" attitude when it comes to taking care of their health due to financial restrictions. Even the purchase of basic rainy season necessities such as umbrellas, raincoats and rainboots are, sometimes, disregarded. Ironically, it is, in fact, to the best interest of their students and parents, to ensure that they are in good health for them to perform their teaching duties better.

This Act seeks to provide our public school teachers with even the most basic rainy weather protection gears to keep them going.
