

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 930

Introduced by **MAGDALO Party-List Representative**
HON. MANUEL DG. CABOCHAN III

EXPLANATORY NOTE

In the past, a number of government employees have been harmed, and worse, killed in pursuance of their duties. More often than not, the families of the deceased have been unable to afford their departed relatives a decent burial, to say the least. Thus, it is only fitting that they be provided compensation for the risks connected with their duties.

This bill is being proposed in order to provide all officials and employees of the government a hazard pay especially in cases where they are assigned to hazardous, isolated and inaccessible areas, x-ray units, institutions that care for the mentally deranged, places that are subject to depredation by criminal elements, plants and installations of the arsenal, aboard aircrafts and watercrafts in crossing bodies of water and other similar situations.

In view of the foregoing, the immediate passage of this measure is earnestly requested.
