HOUSE BILL NO. 2524

---

**Introduced by Honorable Roger G. Mercado**

---

**EXPLANATORY NOTE**

Roads are necessary for the progress of any community. Unfortunately, a lot of communities in Southern Leyte are still not connected by roads to other communities thereby hampering the economic progress of these communities. The road connecting San Juan and Nava, Hinunangan in Southern Leyte is one such example. Economic cooperation of these places could not be enhanced without the road connecting them.

In view of the foregoing, passage of this bill is hereby being earnestly sought.
