House Bill No. _____

INTRODUCED BY REPRESENTATIVE MANUEL JOSE M. DALIPE

EXPLANATORY NOTE

Article XIV, Section 1 of the Philippine Constitution provides that the State shall protect and promote the rights of all citizens to quality education at all levels and shall take necessary and appropriate steps to make education accessible to all. Likewise, Section 2 of the Constitution mandates the State to establish and maintain a system of free education in the elementary and high school levels.

This bill proposes to create Guiwan National High School in Barangay Guiwan, Zamboanga City, to be known as Guiwan National High School. Barangay Guiwan is one of the largest barangays in the Second District of Zamboanga City with a huge number of elementary graduates produced annually. To pursue their secondary education, these students need to travel to the nearest existing high schools, Zamboanga City High School - Main (ZCHS – Main) and Maria Clara L. Lobregat National High School (MCLLNHS) located several kilometers from Barangay Guiwan. Furthermore, ZCHS-Main and MCLLNHS are already overpopulated and congested.

This measure aims to fulfill the Constitutional guarantee, giving Zamboanguenos education more accessible and at the same time decongesting the overpopulated national high schools in the area.

In view of the foregoing reasons, approval of this bill is earnestly sought.
