HOUSE BILL NO. 3993

Introduced by Honorable Celso L. Lobregat

EXPLANATORY NOTE

Alejo Alvarez Street in Zamboanga City is a busy city street connecting Junction Zamboanga City Labuan to Limpapa National Highway San Jose Section to Junction R.T. Lim Boulevard. Its function is to complement the named national roads and is a road leading to Zamboanga City seaport. The volume of traffic that passes along Alejo Alvarez Street is similar to that of a national road.

It is therefore necessary to convert the said street into a national road to reduce the financial burden of Zamboanga City government in maintaining a road that serves as a national road.

In view of the foregoing, passage of this bill is hereby being earnestly sought.
