HOUSE BILL NO. _____

Introduced by Honorable Joaquin M. Chipeco, Jr.

EXPLANATORY NOTE

The maintenance of barangay and municipal roads fall under the jurisdiction of local governments. More often than not, these roads after their construction can no longer be maintained due to lack of funds.

The unmaintained conditions of these roads contribute to further problems such as traffic congestion thus hampering business transactions.

This bill seeks to convert the Pulo-Diezmo road in the City of Cabuyao, Province of Laguna into a national road.

This ensuing problem will be resolved with this conversion as support will be available from the national government.

The early approval of this bill is therefore earnestly recommended.
