House Bill No. 2826

EXPLANATORY NOTE

The Hall of Justice Building in Cagayan de Oro City used to be a grand building. However, time and neglect had rendered it very dilapidated and in dire need of repairs and renovations. A big fire last January 30, 2015 completely burned the building.

The City government was able to provide a temporary location for all court transactions. Despite this, there is a need to have a permanent world class and modern Hall of Justice for Cagayan de Oro City. This new Hall of Justice Building can still be located in the old location.

In view of the foregoing, immediate passage of this bill is earnestly requested.
