MANIFESTATION OF REPRESENTATIVE ATIENZA

At this point, Rep. Jose L. Atienza Jr. questioned the veracity of the result of the Roll Call, as he claimed that there were only 107 Members present on the floor at the time of the Roll Call. He then requested the Majority Leader to explain the discrepancy in the count of the Secretariat.

REMARKS OF REPRESENTATIVE BONDOC

Recognized by the Chair, Rep. Juan Pablo “Rimpy” P. Bondoc explained that the discrepancy in the Roll Call count could be attributed to the fact that at least 75 of their colleagues were attending

committee hearings at that time but who were deemed present during the Roll Call.

REMARKS OF REPRESENTATIVE ATIENZA

Representative Atienza said that he was not questioning the statement or the fact that some Members were attending committee meetings. He however pointed out that adding 75 Members to his count of 107 Members would not give a total of 215 Members. He stressed that the House could not vote on a measure based on an assumed presence of a quorum if there was none. While he will cooperate with the House on going through the legislative processes that will not require voting, he said that he will question the validity of allowing a Member who was not present, to vote on any measure.

The Chair and Representative Bondoc took note of Representative Atienza’s views.

UNFINISHED BUSINESS: COMMITTEE REPORT NO. 200 ON HOUSE BILL NO. 5989

On motion of Representative Aglipay, there being no objection, the Body resumed the consideration on Second Reading of House Bill No. 5989 contained in Committee Report No. 200 as submitted by the Committees on Government Reorganization, Disaster Management, Ways and Means, and Appropriations.

Upon direction of the Chair, the Secretary General read the title of the Bill, to wit:

“AN ACT CREATING THE DEPARTMENT OF DISASTER RESILIENCE, DEFINING ITS MANDATE, POWERS AND FUNCTIONS, AND APPROPRIATING FUNDS THEREFOR.”

Representative Aglipay stated that the parliamentary status was that the Bill was in the period of sponsorship and debate; and on his motion, the Chair recognized Rep. Yedda Marie K. Romualdez, a principal author of the measure, for her sponsorship speech.

SPONSORSHIP SPEECH OF REPRESENTATIVE ROMUALDEZ (Y.M.)

Representative Romualdez stressed that the creation of a Department of Disaster Resilience

(DDR) which was her advocacy and President Rodrigo Roa Duterte's priority in the last three years, had become more urgent. She cited the strong earthquakes, destructive typhoons, and Taal Volcano eruption which occurred in the last six months and resulted in the displacement of communities, destruction of homes, and loss of livelihood.

She pointed out that the proposed department will consolidate and support local disaster risk reduction efforts, improve the government's capacity for disaster risk reduction and management, as well as reduce the vulnerability of communities and increase their resilience to natural disasters and climate change.

On motion of Rep. Josephine Veronique R. Lacson-Noel, the Chair next recognized Rep. Joey Sarte Salceda, chairperson of the Committee on Ways and Means, for his sponsorship speech.

SPONSORSHIP SPEECH OF REPRESENTATIVE SALCEDA

Representative Salceda said that Congress needed to determine the cause of the thousands of deaths during Typhoon Yolanda despite the existing Republic Act (R.A.) No. 10121 or the Philippine Disaster Risk Reduction and Management Act of 2010. He added that it also had to comply with the provision of said law to review the performance of agencies concerned with disaster management five years from the effectivity of said law.

INSERTION INTO THE RECORDS OF REPRESENTATIVE SALCEDA'S SPONSORSHIP SPEECH

Upon the request of Representative Salceda, there being no objection, the Body approved to insert his sponsorship speech into the records of the House.

On motion of Representative Lacson-Noel, the Chair subsequently recognized Representative Atienza to interpellate Representative Salceda.

INTERPELLATION OF REPRESENTATIVE ATIENZA

Representative Atienza asked the Sponsor whether Congress should instead focus on improving the efficiency of existing agencies concerned with disaster management; and questioned a disaster management strategy that was dependent or based on the national government rather than on local government units (LGUs).

The Members debated on how the creation of the DDR would affect the mandate and authority of LGUs over disaster management. Representative Atienza stressed that centralization of functions will not necessarily lead to efficiency and might only hinder quick disaster response. He also pointed out the long period needed to fully establish the department and appoint its head.

Representative Salceda expounded on how the proposed department would harmonize the tasks of disaster reduction, preparedness, response, rescue and relief, and rehabilitation which are currently under different agencies; and clarified that the DDR recognizes the primacy of LGUs in disaster management.

SUSPENSION OF SESSION

Before the interpellation of Rep. Carlos Isagani T. Zarate, the Chair *motu proprio* suspended the session at 4:11 p.m.

RESUMPTION OF SESSION

At 4:11 p.m., the session resumed.

INTERPELLATION OF REPRESENTATIVE ZARATE

Upon recognition by the Chair, Representative Zarate sought clarification on the funds allocated for calamities in recent years. After Representative Salceda requested his colleague to allow him to gather first the pertinent data and provide them later on to better explain the allocation for the calamity fund, Representative Zarate said that he intended to ask about the inadequate and unutilized funds for calamities. He said that it is vital to know about the disbursement of funds before passing a measure creating a new department for disaster management.

The Members proceeded to discuss the two frameworks—the National Disaster Risk Reduction and Management Framework and the National Framework Strategy on Climate Change—that are specified in the Bill, as well as the agencies in-charge of ensuring the implementation of said frameworks.

Representative Zarate then questioned the intention for the inclusion in the Bill of the "whole-of-nation approach" concept which he explained was also used in Executive Order No. 70 of President Rodrigo Roa Duterte to address insurgencies and

armed conflict in the country. The Sponsor explained that the said concept meant an intergenerational approach to disaster risk reduction and climate change adaptation.

At this juncture, Deputy Speaker Abu relinquished the Chair to Deputy Speaker Aurelio “Dong” D. Gonzales Jr.

Representative Salceda further said that at the proper time, he will be willing to consider an amendment on the language that will be more apt for the concept.

Representative Zarate next asked about the abolition of local disaster risk and resilience management councils which involves the participation of civil society organizations and the private sector, in view of the creation of a Disaster Resilience Assembly the purpose and power of which are unclear.

SUSPENSION OF SESSION

The Chair suspended the session at 4:44 p.m. upon Representative Salceda’s motion.

RESUMPTION OF SESSION

At 4:44 p.m., the session resumed.

INTERPELLATION OF REPRESENTATIVE ZARATE (Continuation)

Representative Zarate also sought clarification on the Bill’s provisions that would commercialize disaster preparedness and rehabilitation efforts, and cited provisions on the grant of incentives for private and public investments, disaster risk financing and insurance and the authority of the DDR to require all government agencies, government-owned and -controlled corporations, and LGUs to insure their assets and pay for insurance premium.

In closing, he reiterated his concern on how the Bill introduces the “whole-of-nation” approach which had resulted in human rights violations and attacks to the marginalized sectors.

SUSPENSION OF CONSIDERATION ON SECOND READING OF HOUSE BILL NO. 5989

On motion of Representative Aglipay, there being no objection, the Body suspended the consideration on Second Reading of House Bill No. 5989.

“AN ACT IMPOSING STIFFER PENALTIES FOR CHILD ABUSE, EXPLOITATION AND DISCRIMINATION, AMENDING FOR THE PURPOSE REPUBLIC ACT NO. 7610, AS AMENDED.”

Representative Lacson-Noel stated that the parliamentary status was that the Bill was in the period of sponsorship and debate; and on her motion, the Chair recognized Representative Romualdez (Y.M.), chairperson of the sponsoring committee and a principal author of the bill, to sponsor the measure.

TERMINATION OF PERIOD OF SPONSORSHIP AND DEBATE

There being no interpellations, on motion of Representative Lacson-Noel, there being no objection, the Body terminated the period of sponsorship and debate.

There being no other individual amendments, on motion of Representative Lacson-Noel, there being no objection, the Body terminated the period of amendments.
