HOUSE BILL NO. 1559

Introduced by: **HONORABLE MYLENE J. GARCIA-ALBANO**

EXPLANATORY NOTE

This bill seeks to convert the barangay road starting from Barangay Buhangin in Davao City up to Barangay Callawa into a national road, passing through the northwestern barangays of Tigatto and Mandug.

Roads are beneficial to the livelihood of the people in the rural areas because they help transport farm produce to the markets. They are convenient links between the barangay and the poblacion, provide accessibility to the town proper where hospitals, law enforcement and government agencies are located. Furthermore, mobility is an important factor for progress and roads primarily provide mobility. However, the barangay road needs to be converted into a national road to provide funds for its maintenance since the barangay funds are insufficient for the purpose.

In view hereof, the approval of this bill is earnestly requested.
