EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 1640

INTRODUCED BY REPRESENTATIVE ALFRED VARGAS

EXPLANATORY NOTE

Sections 13 and 17 of Article II of the Constitution express the important role of the youth in nation-building. In the same Constitution, the State also highlights the importance of education as an investment for national growth and development.

Fact is, Section 1, Article XIV of the fundamental law provides that "the State shall protect and promote the right of a/1 citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all."

To date, a clamor for the creation and institutionalization of a national high school in Barangay Bagbag under the newly created legislative district in Quezon City, Metro Manila is very much evident. In order to address the teacher-student ratio which leaves much to be desired, Honorable Winston Castelo of the former Second District of Quezon City filed this measure in the Fifteenth Congress.

The passage of this bill is highly recommended.
