

Republic of the Philippines  
**HOUSE OF REPRESENTATIVES**  
Quezon City, Metro Manila

Eighteenth Congress  
First Regular Session

**HOUSE BILL NO. 4509**

---

**Introduced by Representative Cyrille “Beng” F. Abueg-Zaldivar**

---

**EXPLANATORY NOTE**

This bill was previously filed as House Bill (H.B.) No. 1568 in the 16<sup>th</sup> Congress as H.B. No. 1545 during the 17<sup>th</sup> Congress. Both bills were referred to the House Committee on Basic Education and Culture.

This bill seeks to convert Southern Bataraza National High School – Buliluyan Annex located in Barangay Buliluyan, Municipality of Bataraza, Province of Palawan, into a separate and distinct national high school from the Southern Bataraza National High School, to be known as BULILUYAN NATIONAL HIGH SCHOOL.

The Southern Bataraza National High School – Buliluyan Annex presently obtains its funding for operations from its mother school, the Southern Bataraza National High School. The steady enrollment growth of Southern Bataraza National High School – Buliluyan Annex shows that students recognize the tremendous value of education in shaping the future and alleviating poverty. Moreover, in order for the school to function effectively and efficiently, a regular source of funds every school year must be sufficient. It can only be realized by making it a distinct institution and funding therefor included in the annual General Appropriations Act. Furthermore, the separation and conversion into a national high school will improve the administration of both Buliluyan Annex and Southern Bataraza National High School in terms of addressing the needs of its students.

The Buliluyan Annex High School was issued permit to operate by the Regional Director of Region IV-B, Department of Education, pursuant to the request of local government officials of Bataraza, Palawan, after compliance with necessary requirements therefor.

This bill is recommended for approval, consistent with Article XIV Section One of the 1987 Constitution which mandates that, "the State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all."

In accordance with the State's policy of providing quality education for its citizens, the approval of this bill is earnestly recommended.
