EXPLANATORY NOTE

This bill seeks the establishment of a Branch Office of the Registry of Deeds in the City of Panabo, Province of Davao del Norte.

The rapid population growth, the opening of both urban and agricultural subdivision projects, the establishment of branches of different bank, the creation of loaning companies and entry of big appliance stores which sell by installments, are but some of the causes for the increase in registration transactions.

Moreover, the implementation of the Agrarian Reform Program which is likewise consummated by the issuance of an Emancipation Patent and Certificate of Land Ownership Award aggravates the overloaded Registry of Deeds in the capital town of Tagum City, Davao del Norte.

Thus, the creation of a branch office of the Registry of Deeds in Panabo City, Davao de Norte is the practical solution to ease the overcrowding and heavy workload at the main office in Tagum City to be able to render speedy and efficient public service to the residents of Panabo City and the nearby towns.

In view of the foregoing, approval of this bill is earnestly sought.
