EXPLANATORY NOTE

This bill proposes the conversion of the Banwang Gurang, Donsol, Sorsogon, Jovellar, Albay Road into a national road.

Since its construction, the road has fallen into disrepair due to lack of funds for its maintenance from the Provincial Governments of Sorsogon and Albay. This is unfortunate as a well-maintained road system leads to better mobility of people, goods and services across the communities that make use of it. This road in particular will provide easier transport for agricultural goods and farm produce between Sorsogon and Albay. Moreover, good roads will lessen the travel time of the numerous eco-tourists going to Donsol via Albay.

National funds can better cover the cost of road maintenance and improvement of this road and in view thereof, the approval of this bill is urgently sought.
