**EXPLANATORY NOTE**

This measure is a re-filed version of House Bill 6016 that was approved by the Committee on Public Works and Highways on January 27, 2016 in the 16th Congress.

This bill seeks to declare the road stretching from Barangay Cogon, Municipality of Gitagum, to Barangay Aromahon, Municipality of Laguindingan, in the Province of Misamis Oriental, as a national secondary road.

The conversion of the said provincial road into a national secondary road shall immensely help the people of both Gitagum and Laguindingan towns.

Gitagum is a fifth class municipality that depends mainly on its agricultural produce from bananas, coconut, corn and tobacco.

Laguindingan on the other hand is a fourth class municipality that also produces coconut, corn and tobacco. The Laguindingan Airport, located in Barangay Moog, is growing to a major hub for the export of agricultural and trade products. It is also the major entry point of tourists to the areas the cities of Cagayan de Oro and Iligan and Region X in general.

The upgrading of this road is crucial to accommodate the growing economic activities and vehicular traffic in the continuing development of the said municipalities, Misamis Oriental and the nation in general.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
