**EXPLANATORY NOTE**

This bill seeks for the conversion of the provincial roads from barangay Curva to barangay Poblacion to barangays Luy-a, Lamintak Norte, Lamintak Sur and Dayhagon in the Municipality of Medellin, 4th District of Cebu into national roads. These roads have long been very dilapidated and uncared. It became a detriment to the motorists and pedestrians that pass thru these roads.

The municipality of Medellin is the projected location of an alternate international airport of Mactan Cebu International Airport. Very soon, it will be the venue of some flying schools with the transfer of the Philippine State College of Aeronautics (Philsca) Lapu-lapu City, Cebu Campus in Medellin. The municipality of Medellin at this point in time has also become a tourist destination boasting with two golf courses, hotels and resorts.

In preparation of these developments, infrastructure needs must be in place. However, the resources of the provincial government are so limited that it cannot undertake repair of these roads with dispatch. Conversion of these provincial roads into national roads will essentially open the way for these roads to be repaired, connected and well-maintained.

In view of the foregoing considerations, the immediate enactment and approval of this bill is highly recommended.
