House Bill No. 2526

INTRODUCED BY HONORABLE LIANDA B. BOLILIA

EXPLANATORY NOTE

The Poblacion-Bilogo Road is an important thoroughfare that links eighteen (18) barangays of the Municipality of Taysan to its towncenter. It is a reliable passageway to the Municipality's residents and vital to the town's economic activities. As a provincial road, its repair and maintenance still remains with the local government. Understandably, the local government has other fiscal priorities and its limitations may affect the conditions of the aforesaid.

Through the conversion of the Poblacion-Bilogo Road into a national highway, under the protection and supervision of the Department of Public Works and Highways (DPWH), the allocation of annual funding from the national government for its construction, repair and maintenance is ensured.

Hence, the immediate enactment and approval of this bill is earnestly sought.
