

17th CONGRESS OF THE REPUBLIC OF THE PHILIPPINES
FIRST REGULAR SESSION

House of Representatives
HOUSE BILL NO. 1874

INTRODUCED BY HONORABLE TEODORO G. MONTORO

EXPLANATORY NOTE

This bill defines economic sabotage as any act or activity which undermines, weakens or renders into disrepute the economic system or viability of the country or tends to bring about such effects and shall include, inter alia, price manipulation to the prejudice of the public especially in the sale of basic necessities and prime commodities.

Under this legislation, rice or corn hoarding and profiteering during or on the occasion of any calamity or emergency declared as such by the President is equivalent to economic sabotage.

The enactment of this legislation will add teeth to Republic Act No. 7581, otherwise known as the Price Act by increasing the penalty for violations, to wit: that the acts of rice or corn hoarding or profiteering shall be punishable by imprisonment for a period of not less than ten (10) years nor more than twenty (20) years and a fine of not less than one hundred thousand pesos (P100, 000) nor more than five million pesos (P5, 000,000).

The number of unscrupulous rice and corn traders ballooned because of seemingly laidback governing laws. Inadequate rules and regulations contributed to unabated hoarding and profiteering much to the detriment of the Filipino people.

Hence, approval of this legislation is earnestly sought.
