

REPUBLIC OF THE PHILIPPINES  
HOUSE OF REPRESENTATIVES

EIGHTEENTH CONGRESS  
First Regular Session

House Bill No. 1961

---

Introduced by **MAGDALO Party-List Representative**

**EXPLANATORY NOTE**

A government employee is entitled for vacation and sick leaves he/she earned. In cases where a government employee experiences a serious illness or injury, he/she, however, is sometimes forced to exhaust all his/her leave credits and continue to be on leave without compensation. This is an unfortunate event for an employee.

This bill, thus, is intended to alleviate the hardship caused to an employee and to his/her family experiencing the aforesaid situation. It seeks to create a "Sick Leave Bank" for government employees. As used in this bill, Sick Leave Bank refers to a pool of sick days which will be established by employees who will make a one-time donation of their accumulated local sick days. Depending on the participant's donation, he/she may use sick leaves in the sick leave bank of his/her agency if he/she has exhausted his/her accrued vacation time, personal days, sick leave and compensatory lime due to serious illness or injury.

In view of the foregoing, immediate approval of this bill is earnestly sought.
