HOUSE BILL NO. 3929

---

**INTRODUCED BY REPRESENTATIVE ALFRED VARGAS**

---

#### **EXPLANATORY NOTE**

The members of our Armed Forces of the Philippines (AFP) and Philippine National Police (PNP), are seen as dispensers of justice who place their lives on the line on a daily basis so that we may enjoy the peace and freedom envisioned under the Philippine Constitution.

However, often overseen how these people tasked to defend our safety, security, and freedom, are also in need of defenders for the protection of their own rights. Thus, like any other sector of the society, our military and police, should not be denied access to legal assistance which they may need as a consequence of the faithful performance of their official duties.

Where costs of litigation could, at times, prove to be too burdensome, for the meager livelihood earned by our soldiers and police officers, the State must do its part to ensure that those tasked with the duty to serve and protect, are adequately served and protected.

In view of the foregoing, the passage of this bill is hereby earnestly sought.
