

Republic of the Philippines

EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 5120

Introduced by Honorable Fidel Nograles

EXPLANATORY NOTE

This measure aims to convert the existing satellite office of the Land Transportation Office (LTO) located in the Municipality of Tanay, Province of Rizal, into a regular district office of the LTO.

The conversion of the existing satellite office into a regular district office will address the rising demand for complete LTO services in the area and unburden the current load of the other LTO offices as the strategic location of Tanay will enable the LTO to expand the delivery of its services in the Second Legislative District of the Province of Rizal.

This measure is also in line with the government's continuing drive towards an effective land transportation sector in the province in particular and the country in general.

Thus, the early passage of this bill is earnestly sought.
