**EIGHTEENTH CONGRESS**  
First Regular Session

**HOUSE BILL NO. 2885**

---

**Introduced by Rep. Dale "Along" R. Malapitan**

---

**EXPLANATORY NOTE**

The bill seeks to convert the Langit Road, located in Brgy. Bagong Silang, in the 1<sup>st</sup> District of Caloocan City into a national road.

Based on the of 2007 National Statistics Office census, Bagong Silang has a population of 221,874 and it is the most populous barangay, not only in Caloocan City, but in the whole Philippines. This is mainly due to the fact, that it is the site of a major resettlement of informal settlers in Metro Manila.

Once the Langit Road is converted into a national road, the necessary funds from the national government will be infused for the maintenance of said road into an A-1 condition. This will facilitate smooth traffic to and from the surrounding areas and busy districts of Caloocan and Quezon City where large shopping malls are located.

The maintenance of roads into good condition will attract more businesses to open in the area, and ultimately giving the residents of the 1<sup>st</sup> District of Caloocan City more opportunities for employment.

Hence, approval of the attached measure is earnestly sought.
