HOUSE BILL NO. 4039

Introduced by Representative Salvador B. Belaro, Jr.

EXPLANATORY NOTE

This bill seeks to ban and/or regulate the sale of soda and energy drinks in all public elementary and high school canteens in the country.

Proper nutrition for our children is paramount, particularly in their formative years. It has been established that junk and fastfood are unhealthy, especially in the long term.

Hopefully, this Act will provide the necessary means to promote only the sale of healthy drinks in all canteens in public schools in the country.
