Eighteenth Congress
First Regular Session

HOUSE BILL NO. 3550

Introduced by the Honorable Munir M. Arbison

EXPLANATORY NOTE

The Province of Sulu, the 2nd District in particular, has been identified as one of the most economically depressed provinces in the country. This makes all the eleven (11) municipalities in the district dependent on the financial assistance, through the yearly internal allotment, coming from the National Government.

Notwithstanding the vast opportunities for developing the province, especially in the area of agriculture and fisheries which can propel the economy and free the communities from the grip of poverty, the lack of financial resources has persisted in blocking efforts towards self-sufficiency and end development.

The aforementioned provincial road has not been maintained by the Sulu Provincial Government, for lack of funds, for about thirty (30) years to-date, causing its deterioration and thus causing great inconvenience and suffering to commuters traversing the said road, which incidentally is connected to the existing national road in the area.

This bill seeks the conversion to National Road of the 7.10 Kilometers Provincial Road from Barangay Sucuban, Municipality of Omar to Camp Andres, Municipality of Luuk, in the 2nd District of Sulu, thereby giving the residents, farmers, fishermen and commuters not only adequate but improved, better and safer access to other municipalities in Mainland Jolo, especially the Capital town of Sulu, and rendering smooth travel within their respective municipalities.

Approval of this bill is earnestly sought.

HON. MUNIR M. ARBISON
