AN ACT  
PROHIBITING THE ACCESS OF MINORS TO ALCOHOL AND PENALIZING  
ESTABLISHMENTS THAT FURNISH ALCOHOL TO MINORS

EXPLANATORY NOTE

Present laws in the country have set the minimum legal drinking age at 18 but due to leniency in monitoring and implementation, have led to unabated and widespread underage drinking. Compounding the problem is the ease by which alcohol such as beer and hard drinks can easily be bought in groceries and convenience stores by teenagers. Also, a great number of young people can get alcohol from home, from friends or can just discreetly buy for themselves which only goes to show that such products can easily be obtained from various sources.

Cases of violence, sexual and drug abuse and suicide among Filipino teenagers have been on the upswing due to underage drinking. Easy access to alcohol and other similar products by minors has become a growing concern for society as it slowly corrupts and destroys their future and that of the country.

This bill, therefore seeks to guarantee that our nation's youth will become responsible members of the Philippine society. It prohibits minors from drinking alcohol, and penalizes those who take advantage and illegally provide them easy access to alcohol including those establishments who sell such products to them with want on disregards on the negative effects if uncontrolled.

In view of the foregoing reasons, the immediate passage of this proposed measure is earnestly requested.
