

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City

Eighteenth Congress
First Regular Session

House Bill No. 2539

Introduced by Rep. AURELIO D. GONZALES, JR.

EXPLANATORY NOTE

This bill seeks to establish a Magna Carta for Barangays.

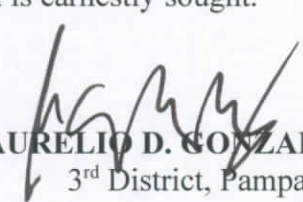

Article 10, Section 3 of the 1987 Constitution states that "the Congress shall enact a local government code which shall provide for a more responsive and accountable local government structure instituted through a system of decentralization with effective mechanisms of recall, initiative, and referendum, allocate among the different local government units their powers, responsibilities, and resources, and provide for the qualifications, election, appointment and removal, term, salaries, powers and functions and duties of local officials, and all other matters relating to the organization and operation of the local units."

The barangay, as the basic political unit, serves as the primary planning and implementing unit of government programs, projects and activities in the community. It also serves as a forum wherein the collective views of the people may be expressed, crystallized and considered, and where disputes may be amicably settled.

Considering the important role of barangay in our society, it is only but fitting to promote the welfare and prosperity of our barangay officials. This bill proposes that barangay officials be considered as regular government employees with fixed salaries, allowances, insurance, medical and dental coverage, retirement benefits and other fringe benefits to which regular government employee is entitled.

This measure also seeks to provide every Barangay with regular supply of clean and potable water, public transportation, schools, health centers and barangay halls. It would also grant an automatic release of share from national taxes and transfer of funds to barangay for the maintenance of roads and bridges.

In view of the foregoing considerations, approval of this bill is earnestly sought.
