HOUSE BILL NO. 3073

Introduced by: **"KUYA" JOSE ANTONIO R. SY-ALVARADO**

AN ACT
ESTABLISHING THE PHILIPPINE MARINE CORPS, DEFINING ITS POWERS AND
FUNCTIONS, APPROPRIATING FUNDS
THEREFOR, AND FOR OTHER PURPOSES

EXPLANATORY NOTE

The Philippine Marine Corps (PMC) was established by the Armed Forces of the Philippines to address the threat of the Hukbalahap insurgency during the 1950's in parts of Central Luzon up to the recent ISIS-inspired attack in Marawi, Mindanao. Their inviolable service to the public is important to maintain the peace and order in the country.

This bill seeks to create PMC as a branch of service that is independent, autonomous but complementary to the Army, Air Force and the Navy under the AFP. This aims to establish PMC as an armed uniformed service, amphibious in character, and a maneuver force in the preparedness of AFP that includes seaborne, land, combat, and support services among others.

The Philippine Archipelago needs an expanded, rapidly deployable amphibious force primarily mandated to conduct seaborne, onshore, multinational cooperation and engagements for the protection of the Philippine Island and for fast response for natural disaster emergencies.

Hence, this proposal is submitted for consideration.
