HOUSE BILL NO. _____

Introduced by Hon. Manuel "Chiquiting" T. Sagarbarria

EXPLANATORY NOTE

This bill seeks the renewal of the Legislative Franchise granted to Gold Label Broadcasting System, Inc. Under RA 8087 which passed into law on July 6, 1995.

Gold Label Broadcasting System, Inc., also known as Power FM DYGB 91.7MHz, is a Filipino owned and managed media broadcasting company. From its humble beginnings, it was able to secure numerous exclusive "on -air block time" business affiliations with the city and provincial government projects and national renowned private companies and advertising firms.

One of the biggest achievements of the company, is the successful FM on-air programming modification, such as DYGB's 6 a.m. to 9 a.m. News and Public Affairs show which merged AM and FM programming styles. This is embodied by the "Operation Tabang" (Help Operations). A public affairs program, and its longest running show "Hoy Buntag na Bai" (Wake up brothers, it's morning already). The said programming format was loved by DYGB target crowd and received various recognitions.

Through the years, Power FM DYGB 91.7MHz airwave supremacy became a household mindset in the whole Dumaguete and Negros Oriental. Its weaponry consists of accumulated radio broadcast armament, such as (1) Strongest transmission power; (2) Dynamic administration team working as an oversight committee supervising on-air and off-air operations; (3) Highest compensation based on local rates compared to competitors; (4) Highest demand for airtime for sale (block-time programs) from product companies, as well as with private and public institutions; and (5) Long staying rank and file, and most popular radio personalities.

Power FM DYGB 91.7MHz is resolved to continuously improve its programs to better its service to the public and uphold its battle cry "ANG SIBYAANANG BALANSE, PATAS UG KADANGPAN SA TANAN!" (The radio station that is balanced, fair, the asylum of the needy).

From the foregoing, it is earnestly sought that this bill be immediately approved.
